

MEDLINE Ultimate, Connected to PubMed

Give clinicians and healthcare professionals convenient access to MEDLINE Ultimate full-text content from PubMed.

Search in PubMed

Clinicians continue using the familiar search platform they already know.

Access MEDLINE Ultimate

Connect users to authoritative, full-text biomedical content available through your institution.

EBSCO Makes the Connection

Full Text Finder and EBSCO Professional Services connect and configure your resources for a streamlined experience.

Keep the familiar PubMed search experience.
Add MEDLINE Ultimate for trusted full-text content.
Let EBSCO connect the two.

What EBSCO Offers

MEDLINE Ultimate - Trusted Full-Text Content

Provide your institution with access to a comprehensive collection of full-text biomedical and medical journals.

Full Text Finder - The Connection

Connect PubMed users with your institution's available MEDLINE Ultimate content, helping them move seamlessly from search to full text.

EBSCO Professional Services - Expert Setup

EBSCO Professional Services provides the technical setup and configuration needed to establish the connection.
