EBSCO Discovery Service

Find the research you need, *faster*.

Your time is valuable, so make every search count.

Use **EBSCO Discovery Service** to search across the entire medical library collection, e-books, databases and more with one-click access. Controlled vocabularies and sophisticated subject mapping deliver the best results at the top of the list.

Keep your research organized! **Create a free MyEBSCO account** to save resources and searches so you can easily return to them later.

Have questions?

Ask your librarian for details.
