

Empower teaching with less searching

Finding the right teaching resources shouldn't take extra time. The new **Teacher Resources** profile on EBSCOhost makes it easier for educators and librarians to quickly connect with the content they need.

With the Teacher Resources profile, you can:

- Find relevant, high-quality content in a streamlined, modern interface
- Browse intuitive categories for curriculum support, information literacy instruction, professional development and more
- Access curated lesson plans organized by subject area
- Spend less time searching and more time supporting teaching and learning

Visit the FAQ for a list of compatible EBSCO databases and learn how to enable this profile in EBSCOadmin.

The screenshot displays the EBSCOhost interface for the Teacher Resources profile. At the top, it shows 'Product Management' and 'MyEBSCO' user information. A search bar is present with the text 'Searching: All databases (5)' and a search button. Below the search bar, there are filters for 'Full Text', 'Peer Reviewed', and 'All dates'. The main content area is titled 'Teacher Resources' and features a 'SPOTLIGHT ON' section for 'Social-Emotional Learning' with a description and a 'Learn more' link. Below this is an 'Explore topics' section with a grid of ten topic cards: Instruction and Curriculum, Student Support and Wellbeing, Technology and Data, Information and Digital Literacy, Learning Styles, Staff Support and Wellbeing, Professional Practices, Professional Development, Areas of Study, and Lesson Plans. The footer contains links for 'Privacy policy', 'License agreement', 'Institutional logout', and 'Manage my cookies', along with the copyright notice 'Software © 2026 EBSCO Publishing, Inc.
