diabetic foot

Full Text

Peer Reviewed

All time

The screenshot shows the EBSCOhost search results page. The search bar at the top contains 'diabetic foot'. Below the search bar, there are filters for 'Full Text', 'Peer Reviewed', and 'All time'. The search results are displayed in a list format. The first result is titled 'Sarcopenia, Frailty and Diabetic Foot: A Mini Narrative Review.' and is by Karakousis ND, Pyrgioti EE, Georgakopoulos PN. The second result is titled 'Recurrence rates after healing in patients with neuroischemic diabetic foot ulcers healed with and without sucrose octasulfate-impregnated dressings: A 1-year comparative prospective study.' and is by Lázaro-Martínez JL, García-Madrino M, Bohbot S. The page also shows a 'My dashboard' sidebar on the left with options like 'Projects', 'Saved', 'Recent activity', 'Holds & checkouts', and 'Alerts'. The search results page includes a 'Show: 10' dropdown, 'IF Relevance' dropdown, and an 'Access options' dropdown for each result.
