

## MEDLINE Ultimate

The most comprehensive companion to the MEDLINE index, MEDLINE Ultimate offers the largest collection of top-tier biomedical journals, many with no embargo, to provide you with access to the information as soon as it is published.

In addition, MEDLINE Ultimate gives you access to a broad range of medical research subjects, including:

- Behavioral sciences
- Biomedicine
- Health policy developments
- Life sciences
- Pre-clinical science
- And more

### Additional Features:

- **Easy-to-use interface** with basic and advanced search features
- **Subject Headings** that follow the structure of Medical Subject Headings (MeSH)
- **Active full-text medical journals**
- Ongoing full text and deep backfile **coverage for many key journals**
