

EBSCO Loves Books

EBSCO Loves Books And the Libraries That Champion Them

Your trusted partner in book acquisition, today and tomorrow.

Why Libraries Choose EBSCO

At EBSCO, we know that building strong collections takes more than just access to content. It takes long-term support, flexible options, and a partner you can count on. **That's why we offer:**

- Perpetual e-book access
- Reliable print book fulfillment
- Flexible acquisition models (DDA, EBA, and more)
- Workflow integration options with dedicated support

Whether you're reassessing your strategy or adapting to a changing market, we're here to help your library thrive.

Explore Our Book Acquisition Solutions

GOBI Library Solutions

A comprehensive book acquisition solution offering access to millions of print books and e-books, Spotlight Lists, robust approval plans, collection development support, and ILS integration.

Mosaic by GOBI Library Solutions

Our next-generation book ordering platform. Intuitive, transparent, and designed with librarians in mind. Mosaic is designed to streamline workflows and enhance visibility into title data and selection decisions. (Currently available in the United States.)

EBSCOhost Collection Manager (ECM)

A simple, web-based tool for purchasing high-quality e-books, expertly curated Subject Sets and Featured Collections, and Flipster Digital Magazines, all in one place.

Visit the EBSCO Booth at Upcoming Conferences

Celebrate your library's commitment to access, choice, and sustainability in book collections by grabbing a free "EBSCO Loves Books" sticker. Because loving books means standing up for the systems that make them available, discoverable, and sustainable.
