Below the header, it says 'Number of projects: 3' and 'Newest' with a dropdown arrow. There are three project entries: 'Back to School Book Display', 'Storytime - Fall 2025', and 'My TBR List', each with a vertical ellipsis menu icon to its right. At the bottom, there are links for 'Privacy policy | Terms of use' and a copyright notice: '© 2025 EBSCO Information Services, LLC. All rights reserved'.

Projects enable you to save and collect, and organize the books, authors, series, lists, and articles you find.

For example, if you are managing multiple book clubs, you can create a project for each one to store book options. Additionally, you can assign each project a due date to help prioritize your work.

Click the **New project (+)** icon to get started.

Enter a **Name** for your Project, choose a **Due date** (optional), enter a **Description** (optional), and click **Create**.
