

Considering upgrading from AtlaSerials (Atlas) to AtlaSerials PLUS (Atlas PLUS)?

Atlas PLUS offers an expansive upgrade in quantity and diversity of coverage with a minimal cost difference.

atla | EBSCO

Discover the distinct advantages of Atlas PLUS, Atla's ultimate collection of full-text religion and theology journals. Atlas PLUS encompasses the entire Atlas collection plus an impressive addition of 300 additional full-text titles, expanding the breadth and depth of the collection to more than 710 diverse and comprehensive titles. Elevate your research and exploration with Atlas PLUS – where comprehensive resources meet unparalleled convenience.

Expanded content coverage within Atlas PLUS includes:

Interdisciplinary titles:

More titles relating religion and theology to various disciplines, such as art, literature, science, history, law, health, and culture.

Diversity of Perspectives and Underrepresented Research: Journals from Majority World countries, indigenous traditions, and underrepresented perspectives.

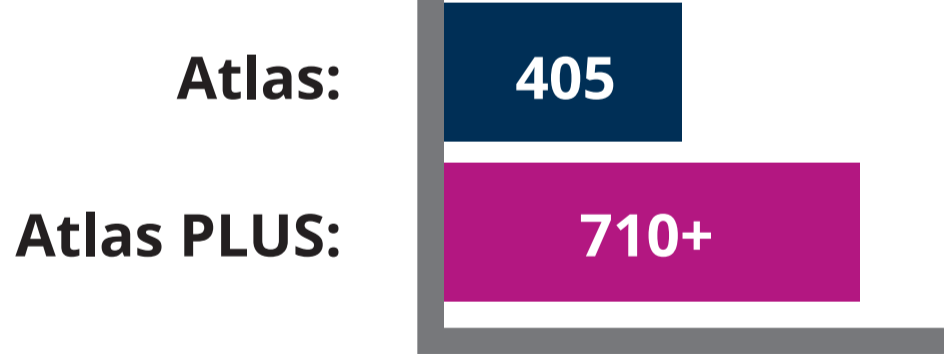

Volume 1, Issue 1:

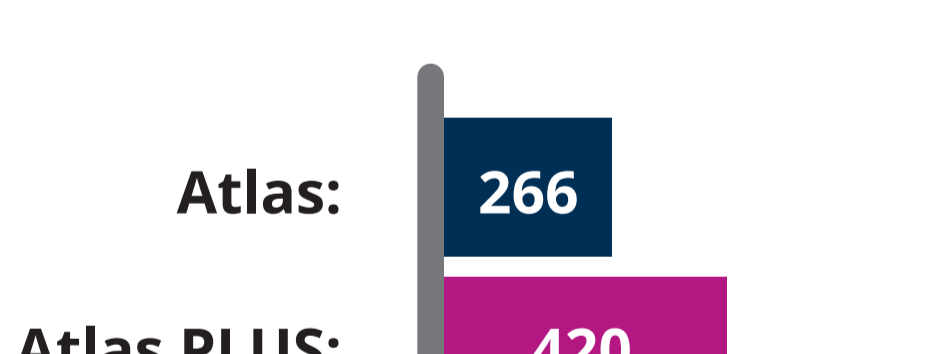

More than 85% of the full-text titles available in Atlas PLUS go back to Volume 1, Issue 1.
