

Library Solution

Meet the growing needs of language learners in your community by offering the award-winning language immersion program from Rosetta Stone.

Content and Features

- 24 languages to meet a range of cultural interests and needs
- Easy-to-follow lessons to build reading, writing, speaking and listening skills
- Innovative speech-recognition technology that offers immediate feedback to guide pronunciation
- Mobile app that enables learners to reinforce language on the go
- Live lessons with Rosetta Stone coaches
- On-demand videos of everyday scenarios to help learners improve fluency
- Interactive stories for reinforcing speaking, reading, and listening skills
- Phrasebooks to help learners perfect their use of common phrases
- Audio companion for practicing vocabulary and pronunciation on-the-go

Key Benefits

- Help language learners develop confidence in multilingual settings
- Provide patrons with opportunities to increase professional skills and expand job prospects
- Promote inclusive participation and strengthen community connections
