

Business Source Ultimate

The New Standard in Business Research

Unparalleled Journal Content

Providing students with a global perspective in their research, Business Source Ultimate allows students to track business trends and topics worldwide with thousands of full-text journals from North America, Africa, Asia, Oceania, Europe and Latin America. With locally published content integrated with region-specific international resources, it provides unparalleled coverage of regional news. In addition, Business Source Ultimate now includes Ahead of Print content from key business publishers.

Essential Industry Information

Business students can delve into case studies, country economic reports, SWOT analyses and company profiles, as well as interviews with executives. Researchers can access the Company View feature, which provides industry specifics for over 1.1 million companies worldwide. To round out research, supplemental access is provided for Regional Business News Plus, with regional U.S. & Canadian business publications. Research is enhanced with **more than 66,000 videos** from industry leaders, including Harvard Business Publishing, IGI Global, Kiplinger and others, plus more than 75,000 Associated Press videos.

Subjects Covered:

- Accounting
