

AP Newsroom™ — the definitive source for news, images and audio clips

AP Newsroom™ is a story-centric delivery platform that allows users to easily search, preview and download the latest Associated Press™ content from a vast multimedia collection.

EXTENSIVE TOPIC COVERAGE

Whether they're reporting from campaign trails, red carpets or stadium sidelines, AP journalists deliver in-depth stories on a variety of subjects — from politics, business and finance to entertainment, fashion and food.

MOBILE-FRIENDLY DESIGN

Users can access the AP's multimedia content anywhere, anytime, and from any device.

WORLD-CLASS JOURNALISM

Access a wealth of content produced by the AP's network of award-winning journalists, including breaking news, feature stories, photographs, graphics and audio clips.

GLOBAL REACH

Associated Press teams operate in more than 250 locations worldwide.

Enhance Teaching and Learning with AP Newsroom™

Gain access to a vast collection of multimedia content including 170 years of news stories, 12 million historical and contemporary images and an extensive collection of audio clips.

WELL-WRITTEN STORIES TO INFORM, ENGAGE AND ENTERTAIN

From stories of local interest to global breaking news, the AP's network of experienced journalists and innovative storytellers deliver compelling content to enhance classroom learning.

PHOTOGRAPHS AND GRAPHICS

Help students connect with the stories they're reading. This collection contains more than 12 million historical and contemporary images covering news, sports and entertainment as well as 3D animations, diagrams and charts.

AUDIO CLIPS AND SOUNDBITES

Browse three-minute newscasts, one-minute updates, special reports, reporter wraps and long-form programming.
