

## Health Business Elite

Health Business Elite provides comprehensive coverage detailing all aspects of health care administration and non-clinical aspects of healthcare management, making it an indispensable resource for all staff within a healthcare setting. Health Business Elite offers ongoing full text with no embargo for many of the top journals, magazines and trade publications, allowing users to run ad-hoc keyword searches and/or setup title alerts for when their key publications have a new edition released.

### Subjects Include:

- Computer Technology
- Communications / Marketing
- Facilities Management
- Finance / Procurement
- Hospital Administration
- Leadership & Development
- Human Resources

### Additional Features

- Provides an easy-to-use interface with basic and advanced search features
- Access online or via the free EBSCO Mobile App via iStore & Google Play
- Active full-text journals and magazines
- Ability to setup e-mail alerts on keyword searches & on your relevant publications

## Searching Health Business Elite

- ① **Search Bar:** Enter your term or topic to search all the library offers
- ② **Quick Filters:** Refine a search without navigating away from results, this includes resources that have been peer-reviewed. Filters can be expanded to limit to type of resource, publisher, publication and more.
- ③ **Save Item:** Save articles to your dashboard
- ④ **Export:** Ability to export the article through a variety of methods
- ⑤ **Related Subjects:** Explore related subjects through hyperlinks
- ⑥ **My Dashboard:** Login to save articles, view search history, review checkouts and holds and organize resources by project
- ⑦ **Research Tools:** Access journal publications and additional sources

- ① **Search within this Publication:** Search only within this title for all Harvard Business Review results
- ② **Issue Tree:** Click on a year and then edition to see those specific articles

The screenshot shows the EBSCOhost search interface. At the top, the search bar contains 'Change Management' (callout 1). Below it, filters for 'All filters (0)', 'Full Text', 'Peer Reviewed', 'All time', and 'Source type' are visible (callout 2). A 'Natural language' search option is also present. The search results are displayed in a list format. The first result is 'THE FOUR FRAMES FOR CHANGE MANAGEMENT IN HEALTH SERVICES.' (callout 3), which is a peer-reviewed academic journal article. It includes author information, publication details, a brief description, and subject terms (callout 5). Below the article title are buttons for 'Access now (PDF)', 'More like this', and 'Generate AI Insights beta'. The second result is 'HOW TO AVOID THE AGILITY TRAP.' (callout 4), a periodical article. It also includes author information, publication details, a brief description, and subject terms. Below its title are buttons for 'Access options', 'More like this', and 'Generate AI Insights beta'. On the left side of the interface, the 'My dashboard' menu is visible (callout 6), and the 'Research tools' menu is also shown (callout 7).

---
