
NoveList Plus Scavenger Hunt

NoveList Plus is a fun and easy way to find books you'll enjoy!

In this activity, you'll learn how to use NoveList Plus by going on a scavenger hunt. Just follow the steps and answer the questions. If you get stuck, ask your teacher or instructor for support.

After each section, click the NoveList Plus logo to go back to the main page and start fresh.

Homepage:

BOOKS WITH BUZZ

Some books in NoveList Plus have a tag called "Media mention." This means they were talked about on popular U.S. and Canadian radio shows, television programs, and celebrity book clubs. These books are creating a buzz!

Check out the **Books with Buzz** section on the homepage to find some of these titles. Then answer the questions below:

- List one of the books you see: _____
- Where was it mentioned? (TV show, radio, or book club): _____

Click **See all** at the top right of the display. This will show you a results list of books and audiobooks with the "Media mention" tag.

- How many results are there? _____

CURATED LISTS

Curated Lists in NoveList Plus offer ready-made reading recommendations across a variety of genres, topics, and audiences (age groups). You can find the newest lists on the homepage.

- Write the name of one list you see: _____
- Click the list title to open it. What audience (age group) is it for? _____
- Scroll down to see the books in this list. How many are there? _____

★ You can find all the Curated Lists at the main menu on the left side of any NoveList Plus page.

EXPLORE TITLES BY STORY ELEMENT

There are many things about a book that may catch your attention. In NoveList Plus, we call these “story elements.” These include things like appeal factors, themes, and genres. On the homepage, you can use the **Explore Titles by Story Element** tool to mix and match these elements and find books that fit what you like.

Try this activity:

- List two story elements from the display. Or click **Swap all terms** to see new ones.
1. _____ 2. _____
- Click the **Explore titles** button to see books that match your choices. How many results do you have? _____

MAIN MENU

The main menu on the left side of any NoveList Plus page includes four drop-down sections. List them:

1. _____ 2. _____ 3. _____ 4. _____

Searching:

BASIC SEARCH

At the top of the NoveList Plus page, you’ll see a search bar. Let’s try it out!

- Type **cozy mysteries** into the search bar. What do you notice as you start to type?

- Click the **magnifying glass** or press **Enter** to search. How many results do you get? _____

After you search in NoveList Plus, filters can help you narrow down a large list of results. Use them to quickly find books by things like award status, publication date, genre, and more.

Let's try using some filters:

1. Filter by Source type
 - Click the **Source type** button under the search bar.
 - Check the box for **Books** and click **Apply**.
 - How many results are there now? _____
2. Filter by Audience (age group)
 - Click the **All filters** button under the search bar.
 - Under **Audience**, choose **Adult** and click **Apply**.
 - How many results are there now? _____
3. Pick a book
 - Click on a book in the results list to open its detail page.
 - What book did you choose? _____

You'll use this book's detail page to answer more questions in the next section.

READ-ALIKES

NoveList Plus gives you great suggestions for what to read next. These are called **read-alikes** (for books, authors, and series) and **listen-alikes** (for audiobooks). Each read-alike includes the reason why it was picked.

At the Book detail page open from the last question:

- Scroll down to the **Read-alikes** section. You'll see a display of similar books with their covers.
- Click on one of the books to learn more about it.
- What book did you choose? _____
- Read the reason why NoveList suggests it as a read-alike.

SEARCH FOR MORE LIKE THIS

Scroll down the Book detail page to find the section called Search for More Like This Book. This tool lets you mix and match story elements from the book to find others you might like.

-
- What are two of the story elements listed for this book?

1. _____ 2. _____

SERIES INFORMATION

Want to know what book comes next in a series you're reading? The **Series detail page** in NoveList Plus shows all the books in a series, in the right reading order. It also gives you suggestions for other series you might like.

Try this:

1. In the search bar, type **Penny draws**.
2. As you type, you'll see suggestions pop up. Under **Series**, click on **Penny draws** to open the **Series detail page**.
 - Scroll down to the **Read-alikes** section. Click on a book cover to learn more about that series and why NoveList recommends it.
 - Scroll down to **the Books in This Series** section.
 - How many books are in this series so far? _____
 - What is the title of Book 3 in the series? _____

Congratulations! You've completed the scavenger hunt—now you're ready to find your next great read!
