## Consumer Health Ultimate

# Empower your community to stay informed and healthy

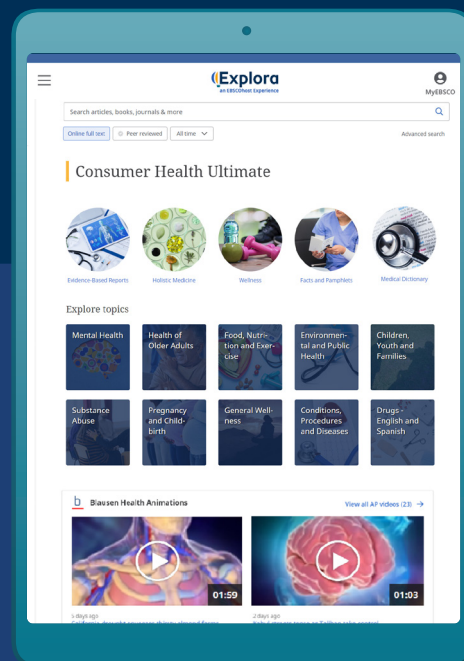

Consumer Health Ultimate provides the latest, most accurate, reliable and easy-to-understand health and wellness content on topics ranging from mental health to public health to holistic medicine. The database offers expanded collections of e-books and videos covering exercise, nutrition, communicable diseases, health disparities, child and teen health, and more.

### Key Content

- 400+ active full-text health journals and magazines, including *Consumer Reports On Health*, *Men's Health*, *Prevention*, *Self* and *Women's Health*
- 7,000+ evidence-based health reports from WebMD Ignite covering conditions and treatments, procedures and tests, and wellness topics (English and Spanish)
- 1,000+ videos and animations covering multiple areas of health and wellness
- 900+ consumer health pamphlets and fact sheets from the CDC, FDA, NIH and others
- 400+ up-to-date health reference books, encyclopedias and e-books
- 1,600+ drug information entries (English and Spanish)
- 700+ natural and alternative health articles
- 42,000+ Merriam-Webster's Medical Desk Dictionary entries

*Note: Information provided in this database should not be viewed as a means for self-diagnosis or a substitute for professional medical advice, diagnosis or treatment.*

*Consumer Health Ultimate is also compatible with EBSCOhost and EBSCO Discovery Service.*
