

# Ultra Online Package

## A superior collection of full-text reference resources

Help high school students and educators achieve success with the **Ultra Online Package** from EBSCO. Available through EBSCOhost, EBSCO Discovery Service and Explora, the EBSCO research experience for schools, these six databases are designed to support student inquiry and classroom instruction.

### For Students:

#### Health Source: Consumer Edition

This rich collection of consumer health information provides access to full-text consumer health magazines and reference books, as well as full text for thousands of current health pamphlets. Topics covered include fitness, nutrition, diabetes, alcoholism and more.

#### MAS Ultra – School Edition

Designed for high school libraries, MAS Ultra – School Edition is a full-text reference database that includes more than 430 magazines and a collection of more than 530 reference e-books covering a wide range of subject areas such as history, science, health and more. Students will also find more than 55,000 primary source documents and more than 78,000 videos from the Associated Press.

### Newspaper Source

Ideal for social studies, business and government classes, Newspaper Source provides cover-to-cover full text for more than 300 newspapers from around the globe. In addition, the database includes complete television and radio news transcripts from ABC News, CBS News, CNN, CNBC, NPR, and more.

### TOPICsearch

Teachers, librarians and student researchers can use this database to explore current events; social, political and economic issues; scientific discoveries; and other popular topics frequently discussed in the classroom. TOPICsearch contains more than 98,000 complete articles from diverse content sources.

## For Educators:

### ERIC

The Education Resource Information Center (ERIC) is an authoritative database of indexed and full-text education literature and resources. The database contains more than 2.1 million records, links to more than 518,000 full-text documents and an education-specific thesaurus with more than 12,000 terms.

### Professional Development Collection

This highly specialized collection is designed for educators, professional librarians and education researchers. It includes indexing and abstracts for 750 journals, more than 450 full-text journals and more than 225 educational reports.
