

Evidence-Based Care Sheets

CINAHL Ultimate, CINAHL Complete & CINAHL Plus with Full Text

Achilles Tendinopathy: Rehabilitation

Alcohol Withdrawal Syndrome: Delirium Tremens

Alopecia in Children and Adolescents

Asthma: Management in Older Adults

Asthma: Risk Factors, Triggers, and Prevention

Avian Influenza

Bites: Head Lice

Botulism, Foodborne

Brain Tumors in Children: Outcomes

Brain Tumors: End-of-Life and Palliative Care

Breast Cancer in Older Women

Breast Cancer in Women: the Effect on the Family

Breast Cancer Screening: Minority, Low-Income, and Inner-City Women

Breast Cancer Screening: Women at High Risk

Breast Cancer: Delay in Diagnosis and Treatment

Breast Cancer: Management of Treatment-Induced Hot Flashes

Breast Cancer: Psychological Adjustment

Breast Cancer: Radiation Therapy

Breast Cancer: Recovery and Quality of Life

Breast Cancer: Screening Mammography in Women over 65

Breast Cancer: Treatment- and Disease-Related Fatigue

Breast Cancer: Treatment with Surgery

Breast Cancer: Treatment with Systemic Therapy

Breastfeeding: Factors That Affect Initiation and Duration of Breastfeeding

Breastfeeding: Working Mothers (United States)

Evidence-Based Care Sheets

Burnout in Critical Care Nursing Staff

Candidiasis in Allogeneic Transplant Recipients

Carotid Stenosis: Screening and Prevention

Cesarean Section: Adverse Maternal and Neonatal Outcomes

Chemotherapy-Related Nausea and Vomiting

Crohn's Disease: Inducing/Maintaining Remission with Medications

Crush Injury and Crush Syndrome

Deep Vein Thrombosis: Prevention

Delirium, Acute, in the Intensive Care Unit

Dementia: Communication

Dental Caries in Children and Adolescents

Depression: Electroconvulsive Therapy

Diabetes Mellitus, Type 1: Risk Factors and Prevention

Diabetes Mellitus, Type 2: Cardiovascular Risk

Diabetes Mellitus, Type 2: Effect of Exercise

Diabetes Mellitus, Type 2: Prevention

Diabetes Mellitus, Type 2: Prevention in Children and Adolescents

Diabetes Mellitus, Type 2: Screening in Asymptomatic Adults

Diabetes Mellitus, Type 2: Treatment Adherence

Dissociative Identity Disorder

Dyspepsia, Nonulcer

End-of-Life Care and Decision Making

Enuresis, Nocturnal: Behavioral Interventions -- Alarms

Epidural Analgesia in Labor and Childbirth

Fall Prevention in Hospitalized Patients

Falls, Accidental: Resulting in Injury

Gastroesophageal Reflux Disease

Gastroesophageal Reflux Disease: Proton Pump Inhibitors

Generalized Anxiety Disorder and Pain

Evidence-Based Care Sheets

Hand Hygiene

Heart Defects, Congenital: Therapy -- Surgery in Children

Heat Stress Disorders: Exertional Heat Stroke in Athletes

Hemodialysis vs Peritoneal Dialysis

Herpes Zoster (Shingles) in Pregnancy

Hormone Replacement Therapy: Risk for Stroke

Hydration: Maintaining Oral Hydration in Older Adults

Indwelling Urinary Catheterization

Infection Prevention in Long-Term Care

Infections, Surgical Site: Prevention

Influenza Infection: Prevention

Interventions for the Wandering Patient

Irritable Bowel Syndrome: Dietary Management

Low Back Pain: Rehabilitation

Macular Degeneration, Age-Related: Quality of Life

Macular Degeneration, Age-Related: Risks and Prevention

Macular Degeneration, Age-Related: Treatment

Macular Degeneration: Screening and Early Detection

Melanoma: Brain Metastasis

Melanoma: Genetic Risk

Melanoma: Risk Factors and Prevention

Melanoma: Treatment-Related Quality of Life

Menopause and Depression

Menopause: Decision Process Regarding Treatment Options

Menopause: Low-Dose Hormone Therapy

Menopause: Migraine Headache

Menopause: Osteoporosis

Menopause: Risk for Cardiovascular Disease from Hormone Replacement Therapy

Menopause: Risk for Colorectal Cancer

Evidence-Based Care Sheets

Menopause: Sexual Functioning

Mumps-Related Deafness

Music and Hospitalization

Neonatal Abstinence Syndrome

Oral Care of the Hospitalized Patient

Osteoporosis in Men

Pain Assessment in Children

Pain Assessment in Special Populations

Pain, Chronic

Palliative Care in Older Adults: an Overview

Palliative Care Teams

Patient Adherence to Medical Treatment: the Effect of Social Support

Patient-Centered Care: an Overview

Peritoneal Dialysis in Children

Phenylketonuria: Dietary Therapy

Postpartum Depression in Fathers

Postpartum Depression: Assessment and Screening

Post-Poliomyelitis Syndrome: Rehabilitation

Post-Traumatic Stress Disorder and Military Personnel

Pregnancy in Adolescence: Fathers

Prostate Cancer: Health-Related Quality of Life

Prostate Cancer: Risk Factors and Prevention

Prostate Cancer: Treatment for Hot Flashes in Men

Pulmonary Disease, Chronic Obstructive (COPD): Fatigue

Rabies: Risk in Organ Transplantation

Restraints and Seclusion: Minimizing Use in Psychiatric Facilities

Restraints: Minimizing Use in Acute, Nonpsychiatric Care

Restraints: Minimizing Usage in Skilled Nursing Facilities

Sexually Transmitted Diseases and Sexual Abuse in Childhood

Evidence-Based Care Sheets

Sexually Transmitted Diseases in Older Adults

Sexually Transmitted Diseases: Risk Factors

Sleep and Hospitalization

Smoking Cessation and Pregnancy

Smoking Cessation in Adolescence

Smoking Cessation: Nursing Interventions in Hospitalized Patients

Spiritual Needs of Hospitalized Patients

Squamous Cell Carcinoma: Laryngeal and Hypopharyngeal Cancer

Squamous Cell Carcinoma: Nasopharyngeal Cancer

Stroke Rehabilitation: Driving After Stroke

Stroke Rehabilitation: Electrical Stimulation for the Hemiparetic Arm

Stroke Rehabilitation: Gait Retraining Using a Treadmill

Stroke Rehabilitation: Gait Retraining Using Functional Electrical Stimulation

Stroke, Ischemic: Treatment with Thrombolysis

Substance Abuse in Healthcare Professionals

Substance Abuse in Older Adults

Substance Abuse: Club Drugs and 'Raves'

Substance Abuse: Prescription Drugs (OxyCODONE)

Sucrose/Glucose Administration in Newborns with Pain

Testosterone Deficiency in Older Men

Thrombophilia in Pregnancy

Toxic Shock Syndrome, Nonmenstrual

Tuberculosis, Extrapulmonary: TB Meningitis

Tuberculosis, Multidrug-Resistant, in Adults

Tuberculosis: Adherence to Treatment

Tuberculosis: Coinfection with HIV

Tuberculosis: Occupational Exposure and Prevention in Healthcare Settings

Urinary Catheter Use and Prevention of Infection

New additions are highlighted in dark blue.
