

# Business E-Book Subscription Collection (Worldwide)

## Thousands of Business E-Books for a Variety of Student and Faculty Needs

Equip students and faculty with access to more than 26,000\* e-books dedicated to the study of business. From conducting business research to helping students understand general business concepts, this collection offers the in-demand titles your library needs. All e-books are available with unlimited user access, and new titles are added regularly to the collection at no additional cost.

### Why Our Subscription Beats the Competition:

#### Expertly Curated:

Every title is hand-selected by our Collection Development librarians with academic research in mind, no filler content.

#### Trusted Publishers:

Only books from top university presses and leading scholarly publishers make the cut.

#### Focused on Quality:

Unlike broad aggregator subscriptions, our collection avoids "junk" titles that dilute value.

\*The availability and number of specific e-books vary by region. Please contact us for a current title list.
