

# Offer Anytime Access to High-Quality E-Books

## Build an **Ideal E-Book Collection** with Titles from Top Publishers and University Presses

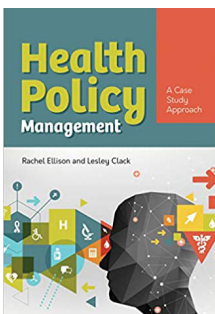

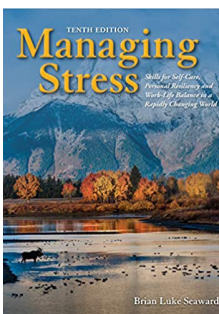

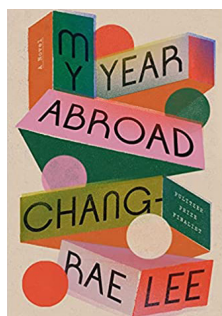

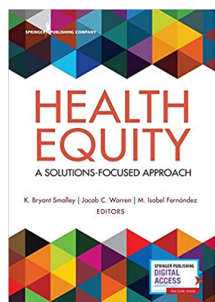

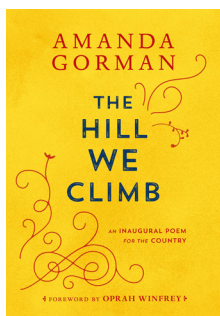

Ensure your users find trusted e-book content with every search!

EBSCO offers more than **2.4 million** high-quality e-books from top traditional and university publishers. Select from pre-packaged collections or build your library's own unique collection from our growing selection of frontlist and award-winning e-books and audiobooks across a wide range of subject matter.

Relevant titles will appear on EBSCOhost and EBSCO Discovery Service directly alongside your other EBSCO databases, exposing users to the full depth of your library's offering and increasing usage and visibility

### Benefits of EBSCO eBooks:

1. Curated by EBSCO Collection Development Librarians
2. Optimized Search and Read Experience
