Can anyone help
me with my
research paper?
I can't find the
right information!

I know just
what you need.
**Academic Search
Ultimate.**

Its formidable
collection of
10,000 journals
covers every topic
under the sun.

What about
video content? My
professor wants me
to cite videos, too.

Academic Search
Ultimate has
you covered!

It's packed with
75,000 videos
from the
Associated Press!

**75,000
VIDEOS!**

**GLOBAL
CONTENT!**

I need to
incorporate
information from
Europe and Latin
America.

International content
from every corner of the
globe adds well-rounded
perspectives to
your research.

My assignment will take weeks, how can I keep track of all that information?

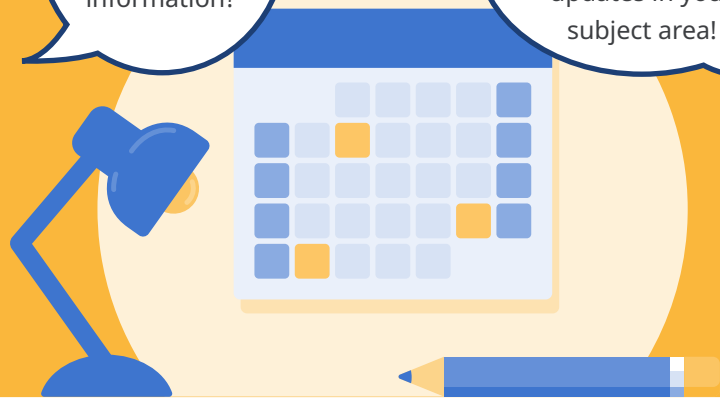

Don't fret. This powerful database lets you save your searches, bookmark articles and e-books, and organize your research using the Projects folder.

PROJECT FOLDERS!

AHEAD OF PRINT!

How do I know I have the latest and greatest information?

Ahead of print content keeps you current on recent updates in your subject area!

WOW!
I can't believe how much this database offers!

It really is the **Ultimate** resource for all your research needs.

Offer your students and faculty the largest and most powerful multidisciplinary database available
