Help! I need to finish my business research paper. Where do I start?

It's Business Source Ultimate to the rescue!

How can that help me?

It has the journals and magazines you need including *Harvard Business Review*, *Fortune*, *MIS Quarterly*

plus more journals from the *Financial Times FT50* list than any other resource!

JOURNALS & MAGAZINES

NON-JOURNAL CONTENT!

I also have to reference a case study.

Lucky for you, Business Source Ultimate is packed with **non-journal content!**

It has SWOT analyses, country reports, case studies, market reports, interviews with business leaders and more.

Yes! Business Source Ultimate offers a **special collection** of 111 videos from the Academy of Management plus 66,000 Business & Economics videos!

Video is a big part of our curriculum. Does it have videos too?

VIDEO CONTENT!

GLOBAL CONTENT!

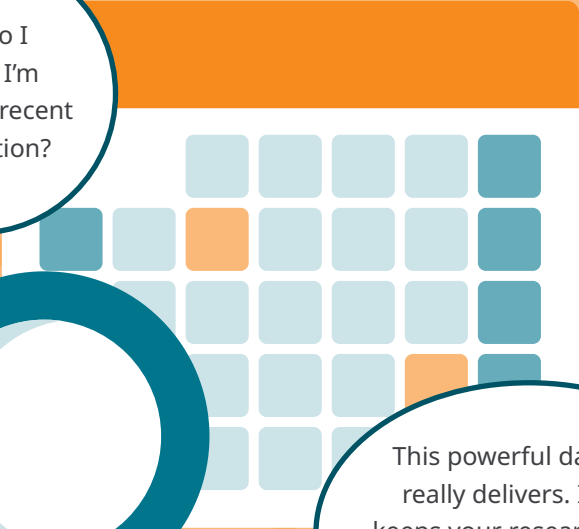

How can I make sure I'm getting well-rounded research information?

This business powerhouse is packed with **international content** from Asia, Africa, Oceania, Latin America and Europe.

How do I know if I'm accessing recent information?

This powerful database really delivers. It even keeps your research topics as current as possible with **ahead of print content.**

It sounds like Business Source Ultimate has just what I need. **It's a lifesaver!**
