

Flipster

Instant Access to Popular Magazines!

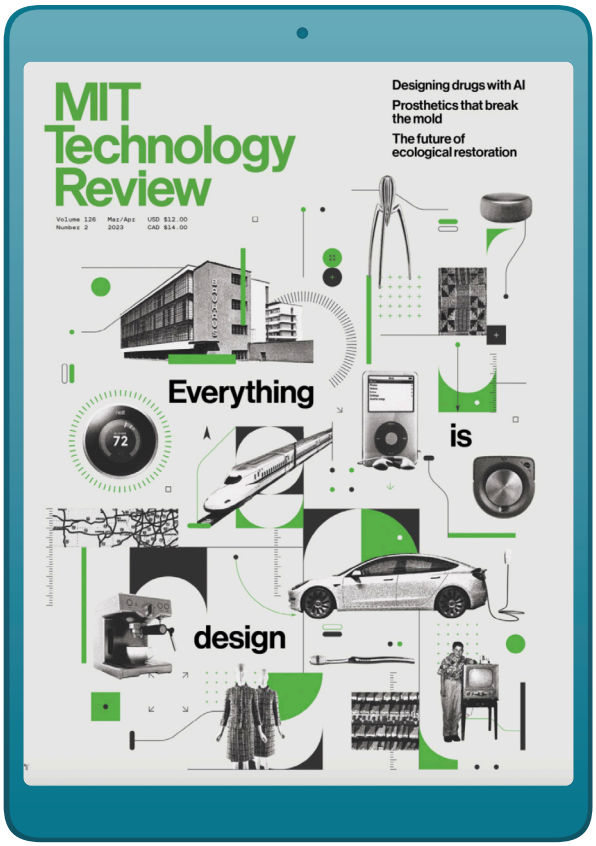

Download magazines from any location on any device with the Flipster app! Available on Google Play and iTunes in the Apple App store.

*The app also features text-to-speech functionality

The Flipster digital magazine newsstand is an excellent way to provide students with online access to many of your current print titles, creating opportunity for educators to integrate thought-provoking topics into their curriculums.

Flipster supports academic libraries by offering:

- Popular Content for Remote Learning
- An Enhanced Desktop Viewer that is Accessible to All Users
- Searching Ability in EBSCOhost and EBSCO Discovery Service
- Unlimited Access for Multiple Readers
- Seamless Authentication
- Access to New and Back Issues
- Usage Reporting
- Free Customizable Promotional Materials

Popular Magazines Include:

- TIME Magazine
- Consumer Reports
- Library Journal
- Bloomberg Businessweek
- People
- New Yorker
- YC: Young Children
- Sports Illustrated
- Artforum International
- Fortune
- National Geographic
- Forbes
